

#### **HAND GRENADE AS SOUVENIR.**

One of the proudest schoolboys in Mackay is Stanley Krieger, of 82 George-street. And he has reason to be. Stan has received an Italian hand grenade from the Middle East, sent to him by his uncle, Rev. J. Geddes, who is now padre "Jock" Geddes with Australian forces abroad, and formerly was Salvation Army captain in Mackay. The grenade, minus filling, of course, is of aluminium with the familiar detachable pin and a flint point.
